About Integrity House

Integrity House is a non-profit agency committed to helping all who are in need of treatment for substance abuse. Located in Newark and Secaucus, our agency has led the standard of excellence in addictions treatment for four decades. Through an effective and measurable system of comprehensive Therapeutic Community addictions treatment and recovery support, we strive to bring about positive long-term lifestyle change.

Our primary funding to treat individuals comes from various State agencies. To truly address the hold that drug addiction has on our communities and treat addiction comprehensively takes additional private funding. With private funding support, we can continue to develop innovative programs and make positive changes in our local communities.

Golf Classic proceeds will support our community collaboration and partnership initiatives and the Integrity Initiative for Women & Children.

Please become involved with Integrity House by taking a sponsor role for this event. Support opportunities are still available. We look forward to a fun-filled and successful event.
